

GGR494 Group Project Presentation Slides Grading Rubric

The aspect of the Project Presentation Slides	Rating (1 – 5 marks)				
	Outstanding (5)	Good (4)	Fair (3)	Poor (2)	Very Poor (1)
1. The presentation slides meet the information requirements of the assignment.					
2. Information is presented in a logical sequence/structure.					
3. Information on slides reflects understanding and effective summarization, instead of simply copying and pasting from another source.					
4. The presenters used clear, legible, professional-looking flowchart to illustrate the space-time data processing and analyzing.					
5. In the conclusion, the presenters well summarized the main findings and significance of their project.					
6. There is not too much text on a slide. Each slide contains a limited number of talking points as opposed to complete paragraphs or lengthy sentences.					
7. The slides are free of spelling and grammatical errors.					
8. Slides display elements of effective design. Fonts, colors, backgrounds, etc. are effective, consistent, and appropriate to the topic and audience.
